1 PUBLISHABLE SUMMARY

Deliverable D7.5 includes a summary of all consortium meetings minutes carried out during the second project period (M19-M36), which comprised the VIRTIGATION second annual meeting conducted during 8th to 10th of May 2023 at The Volcani center (Tel-Aviv, Israel), and the third annual meeting which took place at University of Catania (Catania, Italy) between 15th and 17th of May 2024. This Deliverable also contains a section describing the established activity plans for the following project period P3 (M37-M48), which are organized by work packages and their corresponding tasks running during the specified period. It also includes the list of Deliverables and Milestones to be achieved in P3 and the risks that might appear together with the corresponding mitigation measures that would be applied.
